

# Welcome to the Neighborhood

Where Residents  
Come First

Discover a place where your loved one will truly feel at home, with the support of specially trained care partners and the freedom to define their own days. Our all new Memory Care Community is built on more than 20 years' experience creating supportive environments for those living with memory loss.

- ▶ Four distinct neighborhoods surrounded by central common gathering areas allowing residents to move freely within our secure community
- ▶ Private studio suites
- ▶ Planned daily life enrichment incorporating meaningful activities focusing on daily life and tailored to individual interests and abilities
- ▶ Chef-prepared meals served family style
- ▶ Licensed nurse onsite 24-hours a day
- ▶ Bright, inviting atmosphere, engaging activities, and predictable routines encourage independence and involvement
- ▶ Enclosed outdoor courtyards and a beautiful walking trail
