

WHAT DRIVES US

Care Connection Home Care is the preferred provider of home care services in the region. We are known throughout the industry, from assisted living facilities and rehab centers to doctors' offices, for our distinguished service and numerous commendations. But it's the feedback we get from families that is most meaningful:

"The caregivers enhance my mom's life and make her smile and I can rest easy knowing she is getting the best care possible."

"Your staff members are both caring and professional, and I would recommend Care Connection to anyone."

"Words cannot express my deepest gratitude for all you have done for my mother and my family."

"My siblings and I wanted to take this opportunity to let you know what a blessing it has been to have our caregiver take care of our parents."

YOUR FAMILY,
OUR CAREGIVERS,
GIVING YOU THE RIGHT
CONNECTION

WHAT MATTERS MOST When it comes to your loved ones, two things matter: their well-being and your peace of mind.

That's the priority of Care Connection Home Care. For more than 20 years, we've taken a family-oriented approach to providing the highest quality healthcare services in the region.

Care Connection Home Care is licensed in Nassau, Suffolk and Queens. Each member of our staff is credentialed, insured, and bonded and has undergone rigorous background and reference checks.

But delivering expert care is not just about credentials. It's about compassion. Every team member is dedicated to ensuring our seniors live full, comfortable lives and maintain close contact with families, especially when distance is a barrier.

COMPASSION, CARE AND QUALITY OF LIFE At Care Connection Home Care, we spend a lot of time focusing on quality of life.

Brightening days. Alleviating stress. Generating smiles.

We offer the personal attention other home care agencies simply do not, which is why our caregivers are looked upon as trusted friends.

Our services are flexible. We can accommodate schedules on a short- or long-term basis seven days a week or by the hour, day, overnight or on a live-in basis. Specific care plans are designed for each individual and their unique lifestyle.

Matching the right caregiver to your loved one's needs and temperament is what we do best. Our carefully selected and screened team includes:

- **Registered Nurses**
- **Licensed Practical Nurses**
- **Home Health Aides**
- **Personal Care Aides**
- **Companion/Homemakers**
- **Care Coordinators**
- **Elder Care Advisors**

Our registered nurses and licensed practical nurses are dependable, experienced caregivers. In-home visits begin with a thorough assessment of your loved one's health to determine the level of care that's right for them. Regular home visits are then scheduled to monitor their wellness. Our RN and LPN services include:

- **Full clinical assessment**
- **Initial home visit and safety assessment**
- **Customized care plan**

- **Ongoing case management**
- **RN supervision visits**

Following a thorough assessment by our nurse, a certified home health aide or personal care aide may be placed with your loved one. Services include:

- **Preparing meals that address dietary restrictions**
- **Assisting with bathing, dressing, grooming and toileting**
- **Assisting with transfers and mobility**
- **Monitoring vital signs and medication under the direction of a registered nurse**
- **Light housekeeping and laundry**
- **Shopping including groceries and clothing**

In many cases, a nurse assessment may determine all that a loved one needs to remain safely and securely in their home is the company of a friendly and compassionate companion or homemaker. Companion services include:

- **Social interaction**
- **Preparing meals**
- **Medication reminders**
- **Light housekeeping and laundry**
- **Shopping including groceries and clothing**
- **Escorting or driving to medical appointments**
