Call Us: Monday - Friday • 9:00 am - 5:00 pm

Project TEACH provides consultations for obstetric, pediatric, primary care, and psychiatric clinicians, offering mental health expertise specific to pregnant and postpartum patients, such as:

- Medication reviews or recommendations for safety during pregnancy or breast feeding.
- Diagnostic screens and guidance for next steps in treatment.
- Connections to local support and therapy services for your patients.

For more information or for non-urgent questions contact us:

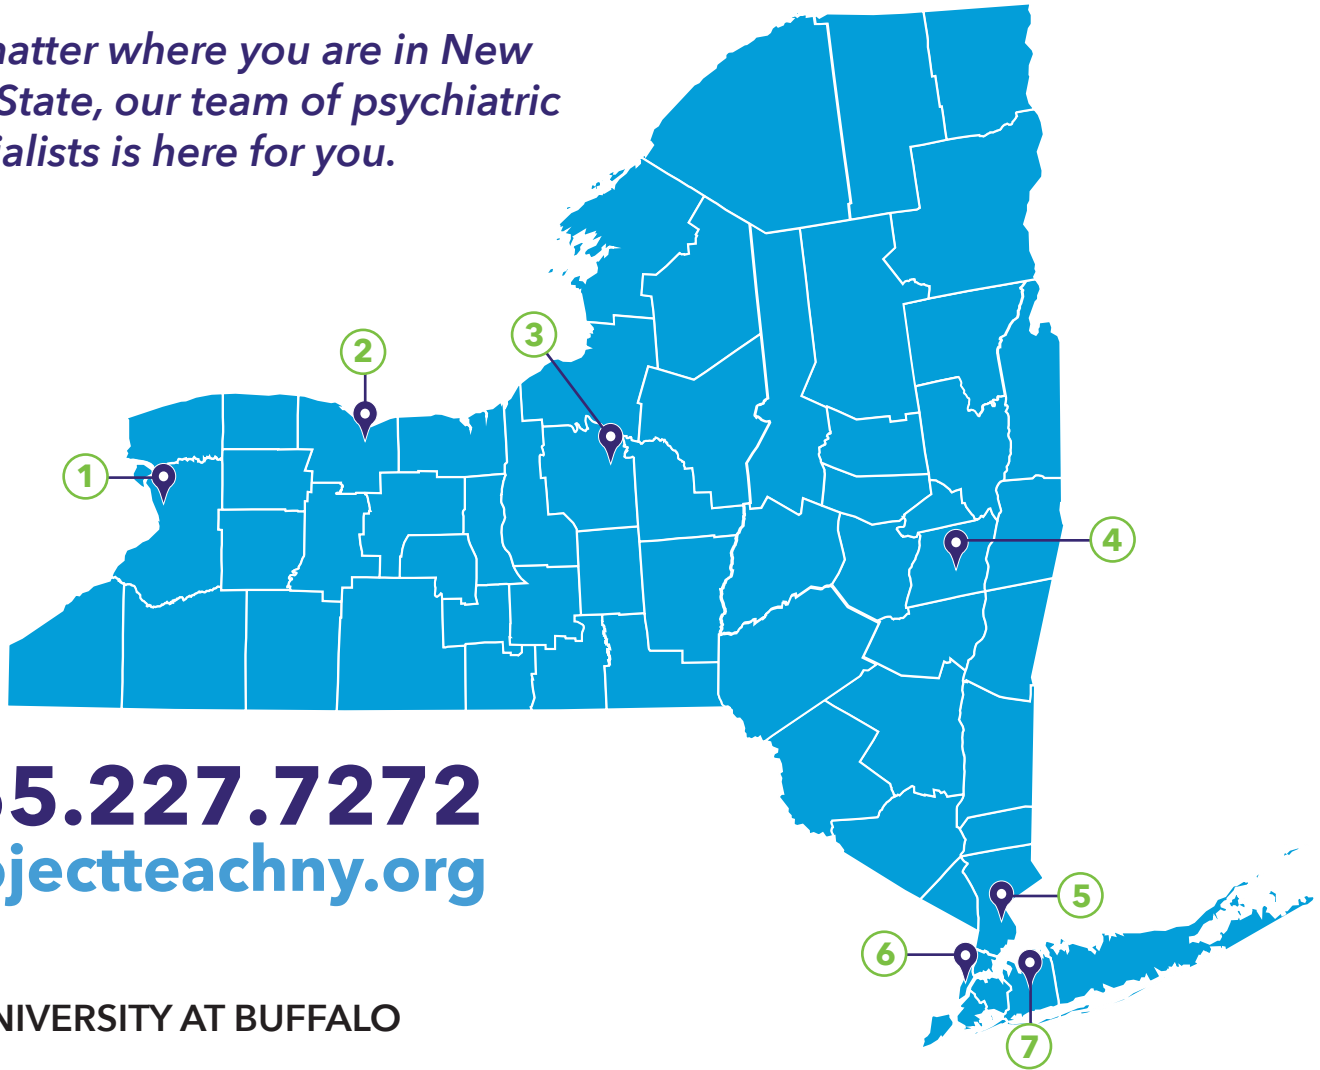

Phone: 716-878-2454 **Email:** info@projectteachny.org
