

DONALD AND BARBARA ZUCKER SCHOOL of MEDICINE AT HOFSTRA/NORTHWELL.

Third Annual Pancreas Symposium PANCREATIC CANCER CLINICAL TRIALS: FINDING SOLUTIONS

Friday, November 10, 2023 7:30am - 3:00pm

Register Here

Goldman Conference Room, The Feinstein Institutes for Medical Research Program also available via virtual access

This activity was planned by and for the healthcare team, and learners will receive 5.5 *Interprofessional Continuing Education (IPCE) credits* for learning and change.

PROGRAM AGENDA

FRIDAY, NOVEMBER 10, 2023, 7:30am - 3:00pm

7:30 am	Registration / Breakfast		
8:00 am	Introduction Matthew J. Weiss, MD, MBA, FACS		
8:10 am	The Current Landscape of Clinical Trials in Pancreatic Cancer Daniel King, MD, PhD		
8:40 am	Updates on Northwell Ongoing Pancreatic Cancer Clinical Trials within Gastrointestinal Oncology Sandeep Nadella, MD		
9:00 am	Panel Case Discussion: Daniel King, MD, PhD & Sandeep Nadella, MD		
9:15 am	New Potential Options for SBRT in Pancreatic Cancers Maged Ghaly, MD		
9:30 am	Updates in Radiation Therapy in Pancreatic Cancer Clinical Trials Leila Tchelebi, MD		
9:45 am	Panel Case Discussion: Maged Ghaly, MD & Leila Tchelebi, MD		
	Maged Ghaly, MD & Leila Tchelebi, MD		
	Maged Ghaly, MD & Leila Tchelebi, MD Pain Management in Pancreatic Cancer		
10:00 am			
10:00 am 10:15 am	Pain Management in Pancreatic Cancer Celiac Plexus Block and Neurolysis for Refractory Pancreas Cancer Pain		
	Pain Management in Pancreatic Cancer Celiac Plexus Block and Neurolysis for Refractory Pancreas Cancer Pain Michael A. Erdek, MD, MA		
10:15 am	Pain Management in Pancreatic Cancer Celiac Plexus Block and Neurolysis for Refractory Pancreas Cancer Pain Michael A. Erdek, MD, MA Break Ongoing Northwell Pancreatic Cancer Clinical Trials within Surgical Oncology		

PROGRAM AGENDA

	Onco Endocrinology		
11:15 am	Diabetes Post Pancreatic Surgery Y.M Melody Cheung, MD, PhD, FRACP		
11:30 am	Comprehensive Care and Survivorship Medicine for Patients with Pancreatic Cancer Regina Jacob, MD, MSCE		
11:45 am	Community Outreach and Engagement for Pancreas Cancer Patients Mitch Cornet, MPP, MHA		
12:00 pm	Lunch		
	Keynote Presentation		
	Keynote Presentation		
12:45 pm	Challenging the Paradigm: Clinical trials and Neoadjuvant Therapy for Pancreatic Cancer Guest Speaker: Susan Tsai, MD, MHS, FACS		
·	Challenging the Paradigm: Clinical trials and Neoadjuvant Therapy for Pancreatic Cancer		
12:45 pm 1:30 pm 1:45 pm	Challenging the Paradigm: Clinical trials and Neoadjuvant Therapy for Pancreatic Cancer Guest Speaker: Susan Tsai, MD, MHS, FACS		
1:30 pm	Challenging the Paradigm: Clinical trials and Neoadjuvant Therapy for Pancreatic Cancer Guest Speaker: Susan Tsai, MD, MHS, FACS Q&A session		
1:30 pm 1:45 pm	Challenging the Paradigm: Clinical trials and Neoadjuvant Therapy for Pancreatic Cancer Guest Speaker: Susan Tsai, MD, MHS, FACS Q&A session Abstract Winner Presentation Closing remarks

Challenging the Paradigm: Clinical trials and Neoadjuvant Therapy for Pancreatic Cancer

Susan Tsai, MD, MHS, FACS Professor, Department of Surgery Director, LaBahn Pancreatic Cancer Program Medical College of Wisconsin

PROGRAM FACULTY

PROGRAM DIRECTOR:

Matthew J. Weiss, MD, MBA, FACS

VP & System Vice Chair of Surgery Service Line Deputy Physician-in-Chief & Surgical Director, Northwell Health Cancer Institute Eli B. & Mollie B. Cohen Family Professor of Surgical Oncology Zucker School of Medicine

FACULTY:

Y.M. Melody Cheung, MD, PhD, FRACP

Director of Continuing Medical Education Division of Endocrinology, Diabetes and Metabolism Assistant Professor of Medicine Zucker School of Medicine

Mitch Cornet, MPP, MHA

Vice President Executive Shared Services Northwell Health

Danielle Deperalta, MD, FACS

Attending Surgeon Division of Surgical Oncology Northwell Health Assistant Professor of Surgery Zucker School of Medicine

Michael A. Erdek, MD, MA

Director of Pain Management Northwell Health Zuckerberg Cancer Institute

Maged Ghaly, MD

Attending Physician Department of Radiation Medicine Associate Professor Department of Radiation Medicine Zucker School of Medicine

Sepideh Gholami, MD, MAS, FACS, FSSO

Director, Liver Multi-Disciplinary Clinic & Hepatic Artery Infusion Pump Program Director, Translational Research in Surgical Oncology Assistant Professor, Surgery Zucker School of Medicine

Regina Jacob, MD, MSCE

Medical Director, Survivorship Northwell Health Cancer Institute Department of General Internal Medicine Associate Professor, Zucker School of Medicine

PROGRAM FACULTY

Daniel King, MD, PhD

Director of Research & Development for the Center for Genomic Medicine Northwell Health Don Monti Division of Medical Oncology/Hematology Assistant Professor of Medicine Zucker School of Medicine

Sandeep Nadella, MD

Attending Gastroenterologist, North Shore University Hospital Northwell Health Clinical Fellow, Tuveson Lab Cold Spring Harbor Laboratory Assistant Professor of Medicine Zucker School of Medicine

Leila Tchelebi, MD

Associate Professor of Radiation Medicine Northern Westchester Hospital Cancer Treatment and Wellness Center

Brooke E. Tortorella, MPH

Senior Director, Operations Northwell Health Cancer Institute Institute of Health System Science

Tiffany L. Zavadsky, CRNP, FNP-BC

Manager Advanced Clinical Providers Surgical Oncology

PROGRAM INFORMATION

Statement of Need: The morbidity and mortality of cancer is still a public health crisis. Pancreatic cancer. in particular, has one of the worst survival rates. Increased knowledge of new treatment methodologies, new research being done in the disease and how to best care for the patient with pancreas cancer are vitally important to improving the survival rate of patients with pancreatic cancer. Each year more and more research is being done in pancreatic cancer requiring physicians and advanced clinical providers to have knowledge of new medications used to treat the disease. New to cancer diagnosis and treatment is the use of molecular biology and genetic testing. It has been found that different molecular abnormalities of pancreatic cancer react differently to different medications to treat pancreatic cancer. Providing our learners with the extensive knowledge of molecular and genetic testing in correlation to the appropriate therapy to treat a pancreatic patient is of utmost importance. This conference will provide the opportunity for participants to increase their knowledge and competencies in the care and management of pancreatic cancer patients.

Target Audience: This activity was planned by and for MDs, and PAs. All other members of the health care team who are interested in the field of Pancreatic Cancer, NPs, RNs, Residents, Fellows, Medical Students and Northwell Retirees are invited to attend.

Program Objectives: All Northwell Health CME activities are intended to improve patient care, safety and outcomes. At the conclusion of this conference participants should be able to:

- Review and analyze advances in the treatment of pancreatic cancer including newly available clinical trials..
- Identify specific clinical trials available to pancreatic cancer patients at different stages of the disease process.
- Decribe specific mutations found in patients with pancreatic cancer that would indicate use of a specific medication to treat the disease.

Joint Accreditation

Statement: In support of improving patient care, Northwell Health is

jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team

PROGRAM INFORMATION

Credit Designation Statements

- Physicians: Northwell Health designates this live activity for a maximum of 5.5 AMA PRA Category 1 Credits[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.
- Nurses: Northwell Health designates this activity for 5.5 ANCC contact hours
- Physician Assistants: Northwell Health has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 5.5 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Course Offering and Registration Fees:

	FEE
Northwell Health employees	No Charge
Non-Northwell MD/DOs, RNs, NPs, PAs	\$15
Residents, Fellows, MedicalStudents, Northwell Retirees and Attendees for No CME-CE Credit	No Charge

Verification of Attendance: Will be provided to all professionals.

Disclosure Policy: Northwell Health adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CME activity, including faculty, planners, reviewers or others are required to disclose all relevant financial relationships with ineligible companies. All relevant conflicts of interest will be mitigated prior to the commencement of the activity.

Registration Fee Includes: Live and On-Demand Session for the next 30 days and CME/Verification of attendance certificates for educational purposes only.

Register Online: Click here.

Americans With Disabilities Act:

This conference is in compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations, please contact us at (516) 321-8353.
