

LODOCO[®]
(colchicine) tablets

ABOUT BLINKRx

BlinkRx is an independent patient access solution that offers patients a digital platform for prescription fulfillment, free home delivery, and pricing as low as \$0 per month.

BlinkRx technology analyzes your patients' insurance, and applies any available savings offers. They deliver the Rx from one of their 7,000+ licensed pharmacy partners around the country, and shipping is always free. BlinkRx helps patients stay on track with timely refill reminders and offers automatic refills (where appropriate).

HOW IT WORKS

STEP 1

Prescriber: In your EMR, e-prescribe LODOCO to **BlinkRx U.S. Boise, Idaho.**

STEP 2

BlinkRx contacts your patient: They will contact your patients with a confidential text, determine their copay, and apply the LODOCO savings card discount for commercially-insured, eligible patients.

STEP 3

Your patient's Rx is delivered to them: BlinkRx arranges for free home delivery and collects payment through either their mobile platform or over the phone.

FAQs

Why should I send prescriptions to BlinkRx?

BlinkRx is an independent patient access solution that offers patients a digital platform for prescription fulfillment, free home delivery, and pricing as low as \$0 per month.

How does BlinkRx find low prices for my patient's prescriptions?

Their technology performs an insurance eligibility check, conducts a benefits investigation to determine their copay, and applies the LODOCO savings card discount for commercially-insured, eligible patients.

What additional benefits does BlinkRx offer your patients?

BlinkRx may help patients overcome obstacles including inventory shortages and application of the LODOCO savings card for eligible patients.

Is BlinkRx free to use for my practice and my patients?

BlinkRx is free. Patients only pay for their medications.

Does BlinkRx take insurance?

Yes, they accept all insurance, including commercial insurance, Medicare, Medicaid, etc.

Is this service available nationwide?

Yes - BlinkRx is available nationwide. They have partnered with 7,000+ pharmacies to offer free prescription delivery in all 50 states and Washington, D.C. Delivery is not available in U.S. territories.

Can all prescribers use BlinkRx?

Yes, any prescriber writing a LODOCO prescription can send it to BlinkRx.

How do I find BlinkRx in my EMR?

START by searching for "BlinkRx" in the EMR system's pharmacy search tool.

Address:

4696 West Overland Road, Suite 274,
Boise, ID 83705

Phone: +1 833-919-9410 | **Fax:** 1 (866) 585-4631

NCPDP number: 1310488

Confirm both "mail order" and "retail" pharmacies are selected when conducting a search and ensure any other limiting search criteria are unselected.

If you're still unable to locate BlinkRx, you can manually add Blink using the "new" or "add" button in the pharmacy selection screen and input all relevant BlinkRx details (see above). For support, contact a BlinkRx Specialist at 1 (855) 759-2129.

Does BlinkRx handle prescription transfers?

Yes, BlinkRx's goal is to make it easy on patients by doing the work to get the patient's prescription. Patients should call BlinkRx to share their pharmacy information. Orders may be delayed if pharmacy transfer requests are not responded to promptly.

Can patients decide to opt out of BlinkRx services?

Yes, if patients would like to transfer their prescription to another pharmacy, they may do so at any time.
